

**COMMONWEALTH OF MASSACHUSETTS  
DEPARTMENT OF TELECOMMUNICATIONS AND CABLE**

**MEMORANDUM OF DISMISSAL**

TO: Internet & Telephone, LLC

FROM: William Bendetson, Hearing Officer

RE: D.T.C. 21-AR-9

Investigation by the Department of Telecommunications and Cable on its own motion, pursuant to G.L. c. 159 §§ 12, 32 and 39, and G.L. c. 166 §§ 11 and 12, regarding the failure by individually-named common carriers of telecommunications services to file annual returns for calendar year 2018.

DATE: November 10, 2021

---

On June 3, 2021, the Department of Telecommunications and Cable ("Department") issued a Notice of Investigation and Hearing ("Notice") and Order Opening Investigation ("Order") in docket D.T.C. 21-AR, regarding the failure of 20 telecommunications carriers to file annual returns for calendar year 2018. The Notice and Order directed the named companies to respond by July 6, 2021 with information, in part, on whether each company: (1) could produce the relevant annual return; (2) could provide an explanation regarding the reasonableness of the failure to file; and (3) provided telecommunications services within the Commonwealth during the applicable calendar year.

On June 21, 2018, the assets of Internet & Telephone, LLC's ("Internet & Telephone") were acquired by Onepath Systems, LLC ("Onepath"). The Department received a letter on November 9, 2021 from Opal Ferraro, Chief Financial Officer of Onepath, stating that Internet & Telephone's 2018 intrastate revenue was included in Onepath's 2018 annual return filed with the Department on April 16, 2019. Therefore, the Department determines that Internet & Telephone has satisfied its annual return filing requirement for 2018, and dismisses the case for docket D.T.C. 21-AR-9.
